

TOOTH TO TAIL ANTIOXIDANT GEL LAUNCHES NATIONWIDE

Russell Moon, CEO of Tooth to Tail stated: "After three years of scientific research and clinical trials conducted by the country's top veterinary and human dentists, the findings indicated that Tooth to Tail is the only breath freshener on the market today to contain clinically proven antioxidant technology. It contains essential oils menthol and thymol, plus polyphenolic antioxidants that neutralize volatile sulfur compounds, the root cause of bad breath."
